## Welcome to Middlesex Community College

Middlesex Community College has graduated more than 12,000 people since 1971, and during the past two decades, has grown from a single building in Bedford to a major, two-campus institution of higher education located in Lowell and Bedford.

Today, you have to take future prospects into consideration at every stage of your education. At Middlesex, we help you connect your goals and ambitions with the knowledge and skills you will need to achieve them. Middlesex offers 71 certificate and associate degree programs, many of them designed to equip you for the current and future job market.

The college is committed to educational opportunity and instructional excellence. Faculty, advisors, counselors and other professional staff are actively involved in support systems that give students the confidence and study skills needed for academic progress.

### Associate in Science in Business Administration - Hospitality Management Culinary Arts

The Culinary Arts Option prepares students for mid-level kitchen or management positions in the food and beverage industry. This program will be a joint partnership with Minuteman Regional High School. Minuteman will provide the setting for the hands-on, practical culinary course work and culinary theory in their state of the art culinary facility. Middlesex Community College will provide the hospitality, business and general education courses insuring that students will be equipped to excel in a variety of culinary, food and beverage and or hospitality positions. The required Cooperative Field Experience gives students on-the-job experience in this growing, many-faceted career field.
