Annual Fund 2011

The Middlesex Community College Foundation Annual Fund provides additional funding to help the college focus on its future. MCC employees are invited to submit proposals for grants to fund projects, activities or equipment, not funded through the regular college budget process, which will have an immediate and meaningful impact on the college community.

Members of the Foundation Stewardship Committee with the Executive Director of the Foundation review and approve all applications using the guidelines and budget parameters set by the Board.

Thank you for your generous gifts that helped to fund \$48,370 in new grants. The 2011 allocations are listed below.

This year, we want to give special recognition and thanks to those people who have supported the Annual Fund since its inception.
