

Enabling Cookies in Your Browser

**Cookies must be enabled for the electronic products to work.
(Products also work best when using Internet Explorer)**

- Select Tools from the menu bar in Internet Explorer
- Select Internet Options

- Select Privacy
 - Check override cookie handling
 - Accept third party cookies
 - Accept first party cookies
 - Always allow session cookies

Note: If session cookies are not allowed you might be bumped out while doing your searches.

Inactivity:

The system will time you out after 7 minutes of inactivity. (Reading articles)
Activity is registered when you enter a search, go to another page, print or email an article.
