Welcome to Middlesex Community College

Middlesex Community College has graduated more than 12,000 people since 1971, and during the past two decades, has grown from a single building in Bedford to a major, two-campus institution of higher education located in Lowell and Bedford.

Today, you have to take future prospects into consideration at every stage of your education. At Middlesex, we help you connect your goals and ambitions with the knowledge and skills you will need to achieve them. Middlesex offers 71 certificate and associate degree programs, many of them designed to equip you for the current and future job market.

The college is committed to educational opportunity and instructional excellence. Faculty, advisors, counselors and other professional staff are actively involved in support systems that give students the confidence and study skills needed for academic progress.

Associate in Science in Business Administration - Transfer

Middlesex Community College is nationally accredited by the Association of Collegiate Business Schools and Programs (ACBSP) for the offering of its Business programs culminating in the Associate in Science in Business Administration degree. The Business Administration Transfer program is designed to enable students to enter the third year of bachelor's degree programs in Business at other colleges and universities. At Massachusetts state colleges and universities, this program satisfies the Transfer Compact, which specifically guarantees 60 transfer credits. Although course options are designed to satisfy most transfer institutions, students are encouraged to consult their academic advisor or a transfer counselor about which courses may be preferred by a particular transfer institution.
