## Welcome to Middlesex Community College

Middlesex Community College has graduated more than 12,000 people since 1971, and during the past two decades, has grown from a single building in Bedford to a major, two-campus institution of higher education located in Lowell and Bedford.

Today, you have to take future prospects into consideration at every stage of your education. At Middlesex, we help you connect your goals and ambitions with the knowledge and skills you will need to achieve them. Middlesex offers 71 certificate and associate degree programs, many of them designed to equip you for the current and future job market.

The college is committed to educational opportunity and instructional excellence. Faculty, advisors, counselors and other professional staff are actively involved in support systems that give students the confidence and study skills needed for academic progress.

### Associate in Science in Criminal Justice

The Criminal Justice program is designed as preparation for entry into the fields of law enforcement, corrections, and security. Course work provides the general and specialized educational background needed for employment as police and correctional officers, court personnel, and a variety of related occupations in the human services area. Graduates are also prepared for transfer to bachelors degree programs.

Springs Road, Bedford MA 01730-9124
