Welcome to Middlesex Community College

Middlesex Community College has graduated more than 12,000 people since 1971, and during the past two decades, has grown from a single building in Bedford to a major, two-campus institution of higher education located in Lowell and Bedford.

Today, you have to take future prospects into consideration at every stage of your education. At Middlesex, we help you connect your goals and ambitions with the knowledge and skills you will need to achieve them. Middlesex offers 71 certificate and associate degree programs, many of them designed to equip you for the current and future job market.

The college is committed to educational opportunity and instructional excellence. Faculty, advisors, counselors and other professional staff are actively involved in support systems that give students the confidence and study skills needed for academic progress.

Associate in Arts in Liberal Arts and Sciences-Fine and Performing Arts Concentration

Provides an opportunity for exploration and study of the fine and performing arts leading to transfer to a college or university program in theater, art or music. This program gives students with particular interest in the arts a solid general education base as well as preparation for further training in their specialty.
