| Physical Science: (choose one) | Biological Science (choose one) |
|--|---------------------------------|
| GEO121 Physical Geology | BIO120 Introduction to Biology |
| GEO122 Historical Geology | BIO131 General Biology I |
| CHE121 Introduction to Chemistry | BIO132 General Biology II |
| CHE131 General Chemistry I | BIO140 Botany |
| PHY151 Physics I | BIO145 Zoology |
| PHY171 Physics for Engineering & Science I | |

***If Math, must be MAT100 or above

Recommended General Education and Free Electives:

Humanities Electives: ART101, ART105, MUS101, MUS102, PHL101

Mathematics Electives Must be from one of the following:MAT177, MAT180, MAT185, MAT189, MAT190, MAT250, MAT270, MAT271, MAT290, MAT291,

Science Electives: any 3 or 4 credit SC course

Social Science Electives: ECO140, ECO150, GOV110, GOV120, HST124 (Note: If not selected as History/SO Social Science requirements, students may also select: HST121, HST130, HST131 OR

Other General Education courses as recommended by the student's academic advisor to prepare the student for a Liberal Arts & Sciences major after transfer. (NOTE: Students are required to complete a minimum of 9 to 15 credits in an LAS major before transfer).

Welcome to Middlesex Community College

Middlesex Community College has graduated more than 12,000 people since 1971, and during the past two decades, has grown from a single building in Bedford to a major, two-campus institution of higher education located in Lowell and Bedford.

Today, you have to take future prospects into consideration at every stage of your education. At Middlesex, we help you connect your goals and ambitions with the knowledge and skills you will need to achieve them. Middlesex offers 71 certificate and associate degree programs, many of them designed to equip you for the current and future job market.

The college is committed to educational opportunity and instructional excellence. Faculty, advisors, counselors and other professional staff are actively involved in support systems that give students the confidence and study skills needed for academic progress.

Associate in Arts in Liberal Arts and Sciences Elementary Education Transfer Concentration

The Elementary Education Transfer Concentration associate in Arts, Liberal Arts and Sciences degree program is designed to prepare students to transfer into a bachelor's degree program leading to teacher licensure. Students work with an academic planning advisor to create an individualized program in anticipation of selecting a major at the transfer institution. Service-Learning placements in area schools provide practical experiences for future teachers, and support and enhance the teacher preparation curriculum.

Springs Road, Bedford MA 01730
33 Kearney Square, Lowell MA 01852
