In honor of Women's History Month, MCC welcomes Claire Cook, author of three popular novels, *Multiple Choice*, *Ready to Fall* and *Must Love Dogs* – which was recently made into a successful movie starring Diane Lane and John Cusack. In this special presentation, she will share her inspiration for writing and the writing process, as well as what it is like to write for Hollywood.

### About Claire Cook

Cook wrote her first novel, *Ready to Fall* (2000), in her minivan outside her daughter's 5 a.m. swim practices. Happily, she now writes in a home office. She lives on the South Shore with her husband, two teenagers and their dog, where she is currently hard at work on her fourth novel.

*A Question-and-Answer period and book-signing will follow the program.*

**FREE AND OPEN TO THE PUBLIC.**

The Middlesex *One World Series* brings speakers to the college to address topics of current interest. This presentation is made possible through funding and support of MCC Student Union Government Association, Student Activities Office and the Writing Across the Curriculum Committee.
