

Radiologic Technology Admission Requirements Certification

Name _____

Student ID # _____

Address _____

Telephone _____

This form must be submitted with your application for admission to the Radiologic Technology Program. Your application will not be processed without this form.

Admission Notes:

- Students applying to this program are required to have at least a cumulative 2.5 GPA.
- The Admissions committee may consider other factors such as: success in college-level coursework, especially English Composition I, Anatomy and Physiology II, and experience working in a healthcare institution or any position working with the public.

Required Admission Course Prerequisites:

You must complete the admission course prerequisites before you will be considered for admission. List the school that you attended and the final grade that you received to show how you met the following prerequisite. (You must submit official transcripts for each school listed below)

Anatomy & Physiology I with a lab (BIO 231) from college with grade of C or higher (73% or higher) within the last 5 years. I earned a grade of _____ in Anatomy and Physiology I/lab at _____ (college). or I am enrolled in Anatomy and Physiology I at _____ (college) and will complete it by January 31, 2020.

Admission Requirements: *Check all that apply*

- I have enclosed a completed Middlesex Community College Admission Application.
- I have requested or sent official transcripts that verify the admission course prerequisite listed above.
- I have enclosed my Radiologic Technology Supplemental Admission Application.
- I have attended a Radiologic Technology Information Session on (provide date) _____
- I understand that I must be eligible for ENG 101 and MAT 120 and that eligibility may be demonstrated through the college placement test or previous college coursework. Applicants who have graduated from high school in the last 3 years with an overall GPA of 2.7 or higher should provide an official transcript for evaluation. *(To schedule an appointment, call 1-800-818-3434 or visit the Student Information Center on the Bedford or Lowell campus).*
- I have enclosed or requested and sent 3 Health Recommendation Forms from the following individuals:*

- 1.) _____
- 2.) _____
- 3.) _____

** Recommendations must be from individuals who can evaluate your performance in a work or classroom setting and must not be from family members. At least one recommendation must be from a faculty member*

- I have read and understand the Standard Skills for Radiologic Technology included in the admission materials.
- I understand that there are additional requirements if I am admitted to this program.
- I understand it is recommended that I review the Radiologic Technology Student Handbook and Policy Manual before applying.
- I understand that non-Massachusetts residents will be admitted on a space available basis only.
- Yes**, I have met all requirements to be considered for admission to this program and that I understand the admission application deadline, including all required documents and testing is February 1, 2020.
- No**, I have not met the admission requirements to be considered for admission to the Radiologic Technology program but wish to be admitted to Middlesex Community College in the Liberal Studies program where, with the assistance of an academic advisor, I can develop an individualized prehealth course of study appropriate to my specific education interests or needs.

By signing below, I certify that all of the information I provided on all of my application materials is accurate and complete.
