**Milestone Courses**

should be taken in the order shown. This will help you stay on track and graduate on time.

Make Your Summer Matter. Summer is a great time to take some elective courses and get ahead.

Helpful Hint

- Students may begin the program in any semester and then cycle through until finished, although the sequence shown is recommended.
- Eligibility for ENG 101 is a prerequisite for most courses and ENG 101 should be taken as soon as possible.
- Students with GPAs of 3.2 or above are encouraged to consider Honors seminars for their ECO/GOV/HST/SOC and Humanities Electives.
- Bachelor of Liberal Arts (B.L.A.) programs at UMass Lowell allow students to pursue two separate fields of study and do not require the specialization of a single major. They also do not require a research sequence or the study a foreign language.
- Bachelor of Arts (B.A.) programs at UMass Lowell do require a four-semester language sequence in any one world language. Since not all world languages offered at MCC are also offered at UMass Lowell, students who start a language sequence at MCC should plan ahead for how they will complete the sequence either at MCC or UMass Lowell.
- Three IDS courses may be grouped as one 3 credit course for transfer as a General Education Elective.
- Any of the following IDS courses are recommended: IDS 102 – Service Learning, IDS 103 – Leadership, IDS 105 – Interdisciplinary Weekend, or IDS 106 – Career Exploration. IDS 105 may be taken more than once since each one has a different theme.
