Milestone Courses

should be taken in the order shown. This will help you stay on track and graduate on time.

General Advising Notes

- Students should meet with an Art Department advisor for portfolio preparation and transfer.
- ART 123 is only offered in the spring semester in Bedford.
- Art assignments will require extensive out-of-class time in Middlesex Community College's art studios and labs.
- Students should routinely save artwork from each class to aid in building the required portfolio.

Certificate Programs

Certificate programs can serve as the basis for further higher education or professional studies. Certificate programs require students to complete specified coursework, mainly related to particular fields of employment.

While many students enroll in a certificate program in preparation for direct entry into employment, they often return to college, part time or full time, and apply the credits previously earned to an associate degree program.

Career and Transfer Outlook

- Students with a Certificate in Studio Art may pursue careers in illustration, painting, photography and other art-related fields.
- Students may transfer studio art courses into an associate degree program at MCC or another institution.
