Milestone Courses

should be taken in the order shown. This will help you stay on track and graduate on time.

Make Your Summer Matter. Summer is a great time to take some elective courses and get ahead.

Helpful Hints

Students must complete two semesters of US History (HST 121 and 122) or World Civilizations (HST 130 and 131).

Career and Transfer Outlook

Most students in the Liberal Arts and Sciences program continue their studies toward a bachelor's degree. Students should check the requirements of the transfer institution and meet with career and academic/transfer counselors at MCC for specific program planning. Students may pursue various careers in areas such as the arts, media, economics, law, mathematics, sciences or teaching professions.

This is a great time to **meet with your Career & Transfer Advisor** to learn what your next steps are.
