Milestone Courses

should be taken in the order shown. This will help you stay on track and graduate on time.

General Advising Notes

- Students interested in applying to a health degree program are encouraged to meet with an advisor to select appropriate courses for that major.

Career and Transfer Outlook

- Graduates of this program are eligible for employment in entry-level healthcare positions.
- Graduates who have also completed a certificate in Dental Assisting, Medical Assisting or Phlebotomy are eligible to take an industry recognized certification exam to become certified in their field of study and gain employment. Refer to the academic map for the certificate program for more information.

Helpful Hints

- Health Science course refers to courses in any of the following areas: AHP, DAS, DHY, DLT, MAS, MLT, NUR, RAD, or SON.
