General Advising Notes

- This program is only offered on the Lowell Campus during the day and starts in the Fall Semester.
- Due to the rigor of the program, students are encouraged to take BIO 105, ENG 101 and PSY 101 prior to entering the Dental Assisting Program.
- MAT 177 – Statistics is recommended for students interested in pursuing Dental Hygiene.

¹ Free Elective Suggestions:

HST 131 – History of World Civilizations After 1500

SOC 118 – Multicultural Communications

MAS 101 – Medical Terminology –or–

BIO 131 – Introduction to Biology

Career and Transfer Outlook

- Typically, graduates find employment in private and group dental practices. There is a high demand for qualified and credentialed dental assistants.
- Upon successful completion of the certificate program, graduates are eligible to be licensed in Massachusetts as a registered Dental Assistant, and are eligible to sit for the Dental Assisting National Board exam which awards the credential of Certified Dental Assistant.
