You've FINISHED!

**Milestone Courses**

should be taken in the order shown. This will help you stay on track and graduate on time.

Make Your Summer Matter. Summer is a great time to take some elective courses and get ahead.

General Advising Notes

- Students are encouraged to begin taking courses aimed at completing their English and math requirements immediately upon entering the college.
- Students who place into reading courses on the college placement test should complete that requirement without delay.

Career and Transfer Outlook

This program prepares students to begin or advance in careers in hotel and restaurant management, conference and convention planning, and hospitality sales. Graduates enter the growing hospitality industry as management trainees, and in assistant supervisory positions. Although the program is not primarily intended to prepare students to transfer to a bachelor's degree program, some students do transfer to bachelor's degree programs in hospitality management.
