TOTAL CREDITS 15-16

### You've FINISHED!

**Milestone Courses**

should be taken in the order shown. This will help you stay on track and graduate on time.

**Make Your Summer Matter.** Summer is a great time to take some elective courses and get ahead.

### Helpful Hints

- It is recommended that students complete all National Academy Aviation Maintenance Certificate course requirements prior to beginning coursework at MCC.
- Students should take mathematics and English courses at MCC as soon as possible.

### Admission Notes

Students are urged to meet with academic advisors at both MCC and the National Aviation Academy. Students must complete all program requirements at the NAA and must submit their National Aviation Academy Maintenance Certificate transcript to be accepted into the Aviation Maintenance Technology, A.S. degree program at MCC. Contact the National Aviation Academy (NAA) at [www.NAA.edu](http://www.NAA.edu) and 781-274-8448 to coordinate program requirements and course sequencing before beginning this program.

### National Aviation Academy Courses

- |                                   |                       |                          |
|-----------------------------------|-----------------------|--------------------------|
| • Block I General                 | • Airframe Structures | • Block VIII Power Plant |
| • Block II Power Plant            | • Block IV Airframe   | • Block IX Power Plant   |
| • Block III Airframe              | • Block V Airframe    | • Block X Power Plant    |
| • Airframe Systems and Components | • Block VI Airframe   | • Block XI Power Plant   |
|                                   | • Block VII Airframe  | • Block XII Power Plant  |
