**Milestone Courses**

should be taken in the order shown. This will help you stay on track and graduate on time.

**Make Your Summer Matter.**

Summer is a great time to take some elective courses and get ahead.

Helpful Hints

Students interested in broader art and design instruction should consider the A.S. Visual Arts program, which prepares students to transfer into a Bachelor of Arts degree program in Visual Arts (including studio arts, photography, design, and media), Art History or Art Education.

Career and Transfer Outlook

The Studio Art Associate of Science Degree prepares students to transfer into a Bachelor of Fine Arts degree program in art or pursue a career as an artist.

Students can pursue careers in illustration, visual design, industrial design, painting, sculpture, printmaking, ceramics, photography and interior design.

Approved/Recommended Electives

Students should refer to DegreeWorks for a list of approved art program electives.
