BIO 235 – Introduction to Microbiology with Lab	4		<input type="checkbox"/>
Humanities Elective	3		<input type="checkbox"/>
AHP 220 – Healthcare Delivery Systems	3		<input type="checkbox"/>
Elective	3		<input type="checkbox"/>

TOTAL CREDITS 16

You've FINISHED!**Milestone Courses**

should be taken in the order shown. This will help you stay on track and graduate on time.

**Make Your Summer Matter.**

Summer is a great time to take some elective courses and get ahead.

Helpful Hints

BIO 131- General Biology is a pre-requisite for BIO 231 Anatomy and Physiology. Students may take a challenge exam to place directly into BIO 231.

To aid transfer to partner institutions, we recommend the following electives

- ETH 101 Ethics and Society
- SOC 101 Introduction to Sociology
- ETH 103 Technology and Society
- ETH 105 Intro to Bioethics
- ANT 101 Introduction to Cultural Anthropology

Career and Transfer Outlook

This program meets MassTransfer requirements and also qualifies for a direct transfer agreement with UMass Lowell into the Public Health Bachelor of Science program.

Students who complete the three new PHIT courses will be eligible for micro-credential from MCC and may be eligible for employment in an entry level PHIT position.
