ART 185 – Visual Design Internship	3		<input type="checkbox"/>
ART 181 – Visual Design Portfolio Preparation	3		<input type="checkbox"/>
Visual Design Elective	3		<input type="checkbox"/>
Science Elective	3		<input type="checkbox"/>
TOTAL CREDITS	12		

You've FINISHED!

Milestone Courses
should be taken in the order shown. This will help you stay on track and graduate on time.

General Advising Notes

- IDS 101 – First Year Experience is required for all students in this program. This one-credit course is an orientation to the college and ideally should be taken before starting the program (usually in August).
- ART 185 - Visual Design Internship can be completed over the summer.

Career and Transfer Outlook

The A.S. Visual Design (Transfer) Degree prepares students to transfer into a bachelor's degree program in design.

This program qualifies for MassTransfer, which guarantees credit transfer to Massachusetts state universities and the University of Massachusetts. Academic advisors and transfer counselors work closely with students to plan course selections in accordance with their intended bachelor's degree major and transfer institution.

Visual Design majors can pursue careers as visual/graphic designers, web designers, art directors, multimedia artists, user experience (UX) designers, or production designers, among other possibilities.

Helpful Hints

The courses in this program are designed to be taken in a specific sequence. To build the proper knowledge and skills, students should complete their art and design courses in the order listed.

Successful students spend extensive out-of-class time in MCC's visual design labs.
