Public Service Pathway

Students considering a career in the field of public service, including Criminal Justice, Fire Science, Paralegal Studies or Human Services have a wonderful opportunity to explore all these options by following the Public Service Pathway. Designed to introduce students to the varied employment possibilities in the area of public service, this pathway allows students to explore careers in fields such as law enforcement, administration of justice, fire service, paralegal careers and counseling of varied groups such as children, elders, minorities, refugee populations and the homeless.
