

Earn college credit for completion of noncredit courses

Are you a high school student unsure of what you want to study in college or what career path to begin after graduation? Middlesex Community College's noncredit to credit coursework can be your motivation.

MCC has created a "College for Teens" career development program where youth are able to enroll in a Noncredit Youth Academy and earn college credit along the way. Please email career_training@middlesex.mass.edu or visit our website for our complete course schedule.
