## Annual Fund 2014

The Middlesex Community College Foundation Annual Fund provides additional funding to help the college focus on its future. MCC employees are invited to submit grant proposals to support projects, activities or equipment not funded through the regular college budget process, that will have an immediate and meaningful impact on the college community.

Members of the Foundation Stewardship Committee, with the Executive Director of the Foundation, review and approve all applications using the guidelines and budget parameters set by the MCC Foundation Board.

Thank you for your generous gifts that helped to fund $49,723 in new grants. In its eight-year history, the Annual Fund has raised $410,000 and has funded a total of 100 grants. The 2014 grants are listed below.
