2016 Annual Fund Campaign Grant Awards

The Middlesex Community College Foundation Annual Fund provides funding that encourages innovation and sustainable projects, programs, activities, and equipment, which will have an immediate and meaningful impact on the college community. Over the past decade, the Annual Fund has raised \$500,000 funding a total of 125 grant proposals. Members of the MCC Foundation Board's Annual Fund Grants Committee review and award grants within the budget parameters set by the MCC Foundation Board. Thank you to all 2016 Annual Fund donors for your generous gifts that helped to fund \$39,137 for 10 new grants for 2016. The 2016 grants are listed below:
