Set against the backdrop of Cambodia's Khmer Rouge reign of terror, *The Killing Fields of Dr. Haing S. Ngor* chronicles a powerful journey of love, loss and reconciliation of Dr. Haing S. Ngor, who escaped to America and recreated his experiences in *The Killing Fields*, winning an Oscar® for his first film. He became the de facto worldwide ambassador for truth and justice in his homeland, only to be gunned down in an alley in Chinatown Los Angeles – a case still surrounded by transnational conspiracy theories.
