

COMMONWEALTH HONORS MAP

A unique opportunity to become part of the Commonwealth Honors Program and to graduate as a Commonwealth Honors Scholar.

Biotechnology Technician

The Commonwealth Honors Program at Middlesex Community College provides an equitable and inclusive space for intellectually curious and motivated students to develop their fullest potential and enrich their college experience. The Commonwealth Honors Program engages, supports, and mentors a diverse community of learners committed to academic achievement, critical and analytical thinking, creativity, professional development, community responsibility, and global citizenry.

Benefits of the Program:

- Guaranteed transfer to any of the honors programs and colleges in the Massachusetts university system
- Enhanced prospects for acceptance to private four-year colleges and universities
- Increased opportunities for scholarships
- Recognition as Commonwealth Honors Scholar at Commencement
- Membership in a community of intellectually curious learners
- Participation in upper-level seminars

Take one class from this list:

ENG 102 English Composition II Honors

ETH 101 Ethics and Society Honors

And take one class from this list (for Behavioral Science Elective):

SOC 294 Globalization Honors Seminar

HST/HUM/SOC 290 World Cultures Honors Seminar

HUM/PHL/SOC 299 Post Colonial and Diaspora Studies Honors Seminar

And take:

BIT 250 Advanced Techniques in Biotechnology Honors

Commonwealth Honors Program Graduation Requirements

- Minimum 3.2 GPA at the time of graduation.
- Participate in annual research conference at least once before you graduate.
We encourage participation every year.
- Complete a minimum of three honors courses, as shown above, with a minimum grade of B.
Beyond the minimum requirements, a student can take as many honors courses as they would like.

Revised 101722
