

# Engineering Panel Night

**6 to 8 p.m.  
Wednesday, Nov. 5  
Bedford Campus Center's Café East**

Imagine a career in engineering! Our panel of engineers will share information about their different specialties, educational backgrounds and work experiences – and answer your questions during a Q&A session.

- Escipion Baez, electrical engineer
- Reggie Gagnier, chemical engineer
- Gregory Maniatis, mechanical engineer
- José Lozano, mechanical engineer
- Greg Stein, electrical/fire protection engineer

Refreshments provided
