STEM STARTER ACADEMY
MATH BOOT CAMP

EXPLORING STEM FIELDS?
STRENGTHEN YOUR FOUNDATIONS & GET YOURSELF READY FOR COLLEGE-LEVEL MATHEMATICS!

The STEM Starter Academy Math Boot Camp is an intensive four-week class that provides students the opportunity to develop fundamental mathematic skills necessary to be successful in STEM programs at the college level.

If you are a graduating high school senior or an incoming/current MCC student (with less than 24 credits), this Math Boot Camp will help you prepare for college courses in STEM.

PROGRAM DATES
JUNE 9TH – JULY 3RD
