

MCC's Health and **STEM Starter Academy** offers a Summer Bridge Program that is **FREE** and open to Middlesex students.

- Explore careers in Health and STEM
- Gain hands on experience and laboratory skills in Environmental Science, Biotechnology, Computer Science and Clinical Lab Technology
- Develop student success skills, your resume, and career development strategies
- Connect with a peer mentor
- Meet with successful Middlesex Alumni
- Earn Credit by participating in a seminar that explores "Wicked Problems in STEM"

Get an Edge: Enroll in the
STEM Starter Academy Summer Bridge at MCC!

Session 1: July 28th – August 8th

Session 2: August 11th – August 22nd

Cost: **Free**

Admission criteria: Open to new or continuing Middlesex students with less than 24 credits interested in Health or STEM Careers
