

Dean's and Merit Lists

**New for
Fall '16**

Beginning Fall 2016, all students will be recognized every semester for their academic accomplishments through the Dean's and Merit Lists. Dean's List is awarded to students carrying 12 credits or more and the Merit List is awarded to students carrying at least 6 but less than 12 credits. The Dean's List and Merit List recognition will be notated each semester on a student's transcript.

Dean's List

All students carrying 12 credit hours or more, who earn a 3.20 grade point average or higher in any semester, without "D, F, I" or "IP" grades, shall be acknowledged by inclusion on the Dean's List, which is posted each semester. The notation is made on the permanent record of each student named.

Merit List

Students who are enrolled in at least 6 but less than 12 credits in a given semester, but otherwise have met the same performance level as those on the Dean's List, are named to the Merit List. Students must have a GPA of at least 3.20 and no grade of "D", F, I" or "IP." The Merit List notation is made on the permanent record of each student named.

Please note that developmental education course credit will not be calculated in determining total semester hour credit for Dean's and Merit List eligibility.
